Announcements & Upcoming Events

We are evolving to accommodate the times of Covid-19. Currently we are doing approximately one zoom meeting per week and are benefiting from the European expertise. We hope to maintain the forum environment as we welcome the audience's questions. Obviously, staying healthy during the times of the Covid virus is important. We welcome your suggestions for speakers.

We hope to continue our monthly in person meetings as well but we are aware that the Cubberly Community Center space may no longer be available to us. When the monthly in person meetings resume, we plan to have at least one monthly zoom meeting.

"What You Need to Know About Skin Health"

Meet Adiel Tel-Oren, MD, DC, DABFM, DABCN, CCN, LN

Dr. T is a sought-after lecturer and expert in Skin Health and Longevity (and the connection between objective measurable skin parameters and whole-body anti-aging), skin lesions treatment and prevention, clinical nutrition, functional medicine, and laboratory tests. He is introducing non-invasive precision instruments for clinical diagnosis of skin aging with powerful treatment protocols, available to all types of practitioners. Dr. T is President Emeritus and Professor of Medical Sciences, Clinical Nutrition, and Functional Medicine at the University of Natural Medicine in Santa Fe, NM and San Dimas, CA (specializing in distant learning).

Dr. T was born in Jerusalem, Israel, and had an extensive career in music before switching to medicine, as a result of long-term interest in health and nutrition stemming from witnessing severe illness and tragedy in his family. He obtained his first doctorate, in chiropractic medicine (DC), from Northwestern Health Science University, graduating at the top of his class; After several years of successful practice as a nutrition and functional medicine physician, he returned to school and received his Medical Diploma (MD) at the prestigious Pirogov Medical University (Russia's flagship medical institute, which placed 3rd in UNESCO's competition for the world's best medical schools, ahead of world-renowned Oxford and Cambridge universities); He then became certified by the American Boards of Functional Medicine (DABFM), Clinical-Nutrition (DABCN), Disability Analysis (FABDA), & the American Board of Chelation and Oxidative Therapy.

He is a licensed nutritionist (LN) in Minnesota, since 1997.

In the past 15 years, Dr. T has lectured world-wide to doctors, health practitioners, & the public. He founded the "Tel-Oren Muco-Cutaneous Lesion Therapy" and trained many physicians who now offer this treatment in several countries and many states (including California, Arizona, Washington, & Oregon) - this is a HIGHLY EFFECTIVE non-surgical, non-medical, non-scarring approach to eliminating Skin and Mucous Lesions OF ALL TYPES and preventing RISKY DEVELOPMENTS.

Dr. T is the founder of several humanitarian projects in several countries, including the Ecopolitan Eco-Health Community (www.ecopolitan.com), the Everest Learning Academy in Nepal (a network of schools, community centers, and orphanages that educate, nurture, and protect over 14,000 disadvantaged Nepali children from child trafficking, prostitution, and slavery). He guides Healthy Humanitarian Holistic Trekking Expeditions in Nepal's Himalayas twice a year (October 2014 is coming up, still room to join! See WWW.NEPALI-CHILDREN.ORG), and runs retreats in Thailand, foraging weekends in Wisconsin, a gluten-free Green Bakery, and a healthy restaurant in Minneapolis.
